

**U.S. ENVIRONMENTAL PROTECTION AGENCY REGION VII**  
**CONSENT FOR ACCESS TO PROPERTY**

Name of Property Owner: \_\_\_\_\_

Property Address: \_\_\_\_\_

\_\_\_\_\_

**RIGHT OF ENTRY TO PROPERTY:** The property owner identified above consents to and authorizes the U.S. Environmental Protection Agency (EPA) and its authorized representatives to enter and perform certain environmental response activities related to the Bridgeton Dust Site Pre-CERCLIS Screening at the property described above. These actions by EPA are undertaken pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (Superfund), 42 U.S.C. § 9601 et seq.

**ENVIRONMENTAL RESPONSE ACTIONS:** The environmental response actions to be performed on the property may include the following:

- a. Conducting a pre-assessment walk-through of the property;
- b. Locating equipment and machinery on the property in preparation for and in the course of the environmental response actions; and
- c. Obtaining samples from the property.

**SAMPLING ACTIVITIES:** EPA will provide the property owner with the results of any and all sampling and/or analysis resulting from EPA's response activities on the property.

**AGREEMENT NOT TO INTERFERE:** The property owner agrees not to interfere with any of the activities or work done, or to allow others to use the property in such a manner, during the term of this Agreement.

**TERM:** This Consent for Access shall be operable for the period of time it takes EPA to complete the environmental response actions. Upon completion of the environmental response actions, all rights and privileges given by the property owner shall cease, unless extended by a subsequent access agreement.

This Consent for Access is given voluntarily and without threats or promises of any kind. By my signature I also acknowledge that I am fully authorized to grant such access.
